JACKSON PROTECTION AGENCY
— WE WILL UPHOLD THE STANDARD —

About Jackson Protection Agency:

Jackson Protection Agency (JPA) is a leading provider of comprehensive security solutions for federal agencies. Founded by veterans and operated in Riverdale, GA, our company is dedicated to ensuring the safety and security of our clients. With a team of highly trained professionals and years of experience in the field, we are well-equipped to meet the unique challenges faced by federal agencies.

At JPA, we understand the importance of tailoring our services to meet specific requirements and regulations. Our offerings include a wide range of security solutions, such as armed and unarmed guards, K9 security services, armored car services, and security training. We are committed to upholding the highest standards, codes, and regulations, ensuring that our clients receive the utmost security and protection.

One of our primary missions is to protect and serve the federal government by deploying effective security measures that prevent and deter potential threats. We recognize the critical role that federal agencies play in national security, and we strive to support their mission by providing top-quality security services.

In addition to our commitment to excellence in security, we also prioritize educating and enriching the general public. We believe that through raising awareness and promoting safety measures, we can contribute to a safer society overall.
